Zoom

Zoom is suitable for lectures, practical training, consultation hours and tutorials:

- https://tu-berlin.zoom.us/
- Organizers: TUB login data (required)
- Participants: receive their login data by e-mail
- Number of participants: up to 300

Tip: It is **not** advised to use the software Zoom independent from your registered account (TU Zoom) account on the grounds of data protection.

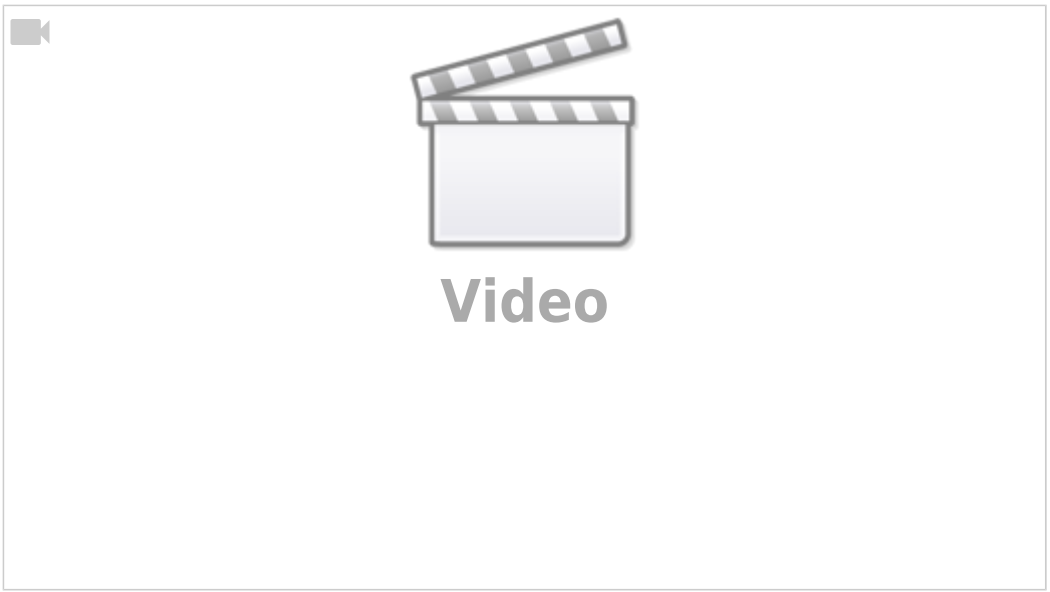

If you already registered for an unpaid Zoom account with your TU e-mail address, please access the software only through the above link: This will enable you to switch your account. If you registered for a paid subscription with yourTU e-mail address, you should either terminate your subscription or register with a different e-mail address so that you can access the above TU Zoom account.
